Everything is possible with the new collection of small kitchen appliances created by the famous French designer Ora Ĩto. As an extension of MDA's successful story, they are as simple and intuitive as possible and integrate the best that technology has to offer. Minimalism, pure lines and design synergy with larger appliances are captured in the black and white version of the hand mixer, toaster, kettle, hand blender, kitchen scale and blender. Explore all their tricks!

HAND BLENDER

HB600 ORAB / HB600 ORAW

Quad blade

Sharp and durable innovatively designed stainless steel blade allows quick and thorough mixing, chopping, and puréeing of your food.

Adjustable speed

Speed adjustment will allow blending your food to the exact consistency you imagined.

BLENDER

B800 ORAB / B800 ORAW

Flat controls

Controls are flush with the housing surface and surrounded by elegant LED light to complement the appliance design. Use them to choose between three speeds and the auto-stop pulse function. Smart speed function is synchronizing the speed with the volume in blender.

4-point blade

Stainless steel ice crushing blade never disappoints. Fast turning creates irregular blending action which, together with the specially designed Tritan jar, forces ingredients down and blends them perfectly.

HAND MIXER

M400 ORAB / M400 ORAW

Beaters & dough hooks

Highly efficient stainless-steel beaters and dough hooks will cover all your mixing needs.

The perfect solution

Choose the speed and mix ingredients for a variety of recipes, from slowly stirring in nuts or chocolate chips to whipping egg whites or heavy cream at top speed.

KETTLE

K15 ORAB / K15 ORAW

Double wall

Double wall ensures better insulation to keep water hot longer. It also keeps silicone out of the interior as well as reduces the exterior temperature when the water is hot or boiling.

Convenient flip-top lid

You can make a delicious cup of tea or coffee using just one hand. The lid will open with just a gentle push on the lid release button.

2400 W power

1.5 l volume capacity

360° rotation facility

TOASTER

T800 ORAB / T800 ORAW

Perfect toasting

With four power levels, your toast will be perfectly browned each and every time. In addition, this uniquely designed toaster features the reheat and defrost functions.

Warming rack

The high lift lever allows you to easily remove your toast. Deep and wide slots are perfect for toasting bagels or bread. Additionally, you can conveniently warm croissants or Danish pastry on the warming rack.

KITCHEN SCALE

KT10 ORAB / KT10 ORAW

Up to 10 kg

Tempered glass surface is ideal for measuring the weight of fruits, vegetables, meat and more up to 10 kg. The LED display allows easy-to-see readouts. You can clean it with a single wipe.

Tara Function

This useful function helps ensure accurate measurements. It resets the scale to zero after you place an empty bowl on it. With the tare function, you can weigh all your ingredients in just one bowl.
